PRINCIPAL'S MESSAGE

I would like, in this brief message, to express to all students, teachers, and parents my sincere appreciation for the understanding, the cooperation, and the many pleasant memories of the four years just past. The graduating class of 1960 has suffered with my mistakes for all of their high school career. We all started together, you as high school students and I as principal.

The faculty of Huddleston High School is dedicated to the ideal that all students should develop a sense of moral and ethical values, athletic appreciation, a respect for the dignity of work, and personal integrity. We expect good work and good study habits, as well as acceptable attitudes and ideals. We believe in the individual worth and dignity of each student. It is our fondest hope that we may stimulate and develop every student here to the extent that each will make creditable contributions to the community and the nation, and at the same time enjoy success and happiness in their personal lives. The extent to which this ideal is reached is the measure of our success.

It has been a distinct pleasure and privilege for me to work with you through these years, and to each of you my sincere good wishes for a happy and successful future.

DEDICATION

To a man whom we respect as a teacher, coach, and friend, we, the Senior Class of 1960 dedicate this issue of the Mirror.

His instruction, inspiration, and guidance has always been with us through our high school years. We proudly dedicate our final effort to

CLASS HISTORY

Reviews

In September of 1956, we Seniors, as Freshmen started down the Corridor of Knowledge, in search of the "Key to the Future." We had as our guide Mr. Herman P. Garbee. Our officers were: President, Mary Wingfield; Vice President, Junior Gardner; Secretary, Ray Cheek; Treasurer, Emma Pollard; S. C. A. Representatives, Billy Ferrell and Madilene Dellis. There were thirty students to help in this search. Marriage proved to be Esther Goode's key to the future. Another of our classmates, Eddie Blankenship, decided our search was in vain, so he left us to start his own search.

As we continued our search down the corridor, we came upon a door marked, SOPHOMORE. We were greeted by Mr. Leonard P. Hudson, who was to be our sponsor. To assist Mr. Hudson there was: President, Billy Ferrell; Vice President Wayne Wills; Secretary, Brenda Ayers; Treasurer, Virginia Tweedy; S. C. A. Representative, Emma Pollard. We now had twenty-four members. Buddy Craghead and Wayne Witt decided to join their former classmates who were further advanced in their search than we. Willie Ferguson decided to discontinue his search. Caroline Bolling, Hazel Payne, Patricia Mitchell, Rucker Burnette, Ray Cheek and Junior Gardner decided to rest a year before continuing. Emily Morgan decided to continue her search at Montvale.

In 1958, we stumbled upon another mysterious door which was marked JUNIOR. There to meet us was our friend of yesteryears, Mr. Herman Garbee, who we were glad to have with us again. To assist him in any problems which might arise, we elected: President, Ronnie Laughlin; Vice President, Wayne Wills; Secretary, Lois Creasey; Treasurer, Billy Ferrell; S. C. A. Representative, Sarah Franklin. Having gained a few members, we now counted twenty-seven. Sarah Franklin thought it would be better to join our search instead of staying at Stewartsville. Betty Woodford and Mary Wingfield found their key to the future in marriage. Junior Gardner and Rucker Burnette rejoined our class but decided our search was in vain so they took another corridor which unfortunately led them away from the school. Caroline Bolling, Hazel Payne, and Ray Cheek rejoined us and continued on. Our play THE WHOLE TOWN'S TALKING was a great success and later in the year we gave a banquet for those who were just ahead of us searching for their key to the future.

We have come to the final door which was labeled SENIOR. There again was Mr. Garbee to greet us and guide us through the last phase of our search. We elected: President, Lois Creasey; Vice President, Brenda Ayers; Secretary, Virginia Tweedy; Treasurer, Emma Pollard; Reporter, Linda Hawkins; and S. C. A. Representative, Billy Ferrell. We started the year with twenty-five members and later Elwood Kidd joined us to help us in our search for the key. We gave a play called GRANDAD GOES WILD. The Senior trip to Washington was enjoyed very much and was very educational. A banquet was given in our honor by the Junior Class and was enjoyed by all. We wish to thank them for their generosity and their assistance in making our last year more enjoyable.

We now have completed our journey down the corridor of knowledge and hope we have found that final key for which we have been searching for the past twelve years. These days will prove to be the happiest days of our lives. We appreciate all that has been done for us and know that we will never be able to repay this debt.

As we close the door of the future, each of us wonder on into life with high hopes of success and happiness. We are leaving behind our key, with the desire of achievement for those to follow, who have fortitude enough to obtain the best life has to offer. In parting we ask that you remember, "Wisdom, is principal thing; therefore get wisdom, and with all thy getting get understanding."

LAST WILL AND TESTAMENT

We the Senior Class of Huddleston High School, being sound of body, but mentally unbalanced from the strain of studying and other activities, believe we declare this our last will and testament.

To Mr. Darnell, we leave a bottle of hair tonic in hopes that some of his hair (even though there never was much) will grow back after the hectic government class. WHAT A CLASS!

To the faculty, we leave a bottle of Geritol to rebuild their tired run-down blood, caused by chasing Seniors to class.

I, Caroline Bolling, will my love for hillbilly music to Fleeta Preston.

I, Lois Creasey, will my ability to laugh and get along with everyone to Linda Newman.

I, Nancy Overstreet, will my ability to play basketball to Shelby Goad.
